Paddock Solar Maximizer Energy Management System Electronic Components Box and all Electronic Components mounted inside the Paddock Solar Energy Management System Electronic Components Box.

Paddock Solar guarantees (for a period of 2 years from purchase date), these product to be free of manufacturing defects in workmanship and/or materials only. This warranty extends to the first buyer and to any subsequent owner(s) as long as the Paddock Solar Roof-mounted Solar Panel remains on the original vehicle installed in the USA only.

## ***THIS LIMITED 2 YEAR WARRANTY DOES NOT COVER THE FOLLOWING;***

- A. Defective installation or any installation techniques or use of hardware contrary to the written instructions, templates and hardware furnished with each product.
- B. Loss of use, inconvenience or other incidental or consequential use.
- C. Costs associated with the replacement and/or repair of any Paddock Solar product, including:
  - i. Any freight, shipping or delivery charge
  - ii. Any removal, installation or re-installation charges.

## ***WHAT WE WILL DO TO CORRECT WARRANTY ISSUES;***

- 1. Provide a replacement product of our manufacture (or at our discretion) repair any product which develops a defect within the 2 year from date of purchase warranty period.
- 2. We reserve the right to verify any claims of defect by physical inspection.

## ***WHAT WE DO NOT WARRANTY;***

- 1. Repairing or replacing any Paddock Solar product subject to conditions outlined in “**THIS LIMITED 2 YEAR WARRANTY DOES NOT COVER THE FOLLOWING**” section.
- 2. Reimbursement for any additional costs associated with repair and/or replacement of defective products.
- 3. Repair or replace any product under warranty without proof of purchase date.
- 4. Repair or replace any product without proof of defective product.

## ***HOW TO AVOID COST OF REPLACEMENT;***

- 1. Thoroughly inspect all Paddock Solar products for freight damages.
- 2. Always note defects on delivery receipt before signing off, whether or not you believe the carrier caused the damage or that it is a manufacturer defect.
- 3. Immediately notify Paddock Solar of any defects.
